

ANNUAL REPORT

Session 2025–26

ADARSH PUBLIC SCHOOL aims to be a centre of excellence in education by nurturing young minds through modern teaching methods, values, discipline, creativity, and innovation. The school continues to provide a positive and enriching environment where every child gets opportunities to learn, grow, and shine. With immense pleasure and pride, we present the Annual Report of the school for the academic session 2025–26, highlighting the achievements, activities, and progress made throughout the year.

Vision and Mission

Our founder SHRI NARESH CHANDRA SHARMA, Chairman, envisioned creating a dynamic institution that focuses on the holistic development of children. Under the able guidance of our respected Principal Mrs. Shweta Khanna, the school strives to provide quality education blended with moral values, life skills, discipline, and leadership qualities.

Our mission is to empower students to become confident, responsible, compassionate, and knowledgeable citizens who contribute positively to society and the nation.

Philosophy

Education at ADARSH PUBLIC SCHOOL is not limited to textbooks and classrooms. The school believes in developing intellectual, emotional, physical, social, and creative abilities of students through academics as well as co-curricular and extracurricular activities.

The session 2025–26 began with enthusiasm, positivity, and a commitment to excellence. Students were encouraged to participate actively in various educational and cultural programs conducted throughout the year. “Education is the foundation upon which we build the future.”

Staff

The greatest strength of the school is its dedicated and hardworking staff. The teachers continuously work towards improving teaching-learning methods and creating a student-friendly environment.

Regular workshops, seminars, orientation programs, and training sessions were conducted to enhance professional skills and keep teachers updated with modern educational practices.

The cooperation between teaching and non-teaching staff has greatly contributed to the smooth functioning and success of the institution.

Smart Learning and Innovation

The school continuously adopts innovative teaching methodologies to make learning more interactive and enjoyable. Digital classrooms, activity-based learning, projects, quizzes, presentations, and practical demonstrations are integrated into the teaching process.

Special focus was given to communication skills, personality development, logical thinking, and experiential learning so that students become future-ready learners.

Environmental Education

The school actively promotes environmental awareness among students and staff. Various eco-friendly practices and awareness drives were conducted during the year.

The school emphasizes:

Clean and green surroundings

Tree plantation activities

Water conservation awareness

Waste segregation and recycling

Energy conservation practices

Maintaining hygiene and cleanliness in the campus

Students actively participated in environmental campaigns and developed awareness towards protecting nature.

Parents' and Teachers' Association (PTA)

The school firmly believes that parents and teachers together play a vital role in a child's development. PTA meetings were organized regularly to discuss students' progress, discipline, academic performance, and overall development.

The valuable support and cooperation of parents throughout the session helped in achieving better educational outcomes.

Morning Assembly and Value Education

Morning assemblies were conducted regularly with thought of the day, news reading, motivational speeches, yoga, meditation, and moral teachings.

Special assemblies on important national and international occasions were also organized to inculcate values like honesty, kindness, respect, responsibility, patriotism, and teamwork among students.

Academic Activities
